

GameState

```
graph BT; SelectionState[SelectionState] --> GameState[GameState];
```

The diagram consists of two rectangular boxes. The top box is white with a thin black border and contains the text 'GameState'. The bottom box is gray with a thin black border and contains the text 'SelectionState'. A blue arrow points vertically from the top center of the 'SelectionState' box to the bottom center of the 'GameState' box, indicating a relationship such as inheritance or a state transition.
