

src/Type.cpp

```
graph TD; A[src/Type.cpp] --> B[Type.hpp]; B --> C[string];
```

The diagram illustrates a vertical flow of information or dependencies. It consists of three rectangular boxes arranged vertically, connected by blue arrows pointing downwards. The top box is dark gray and contains the text 'src/Type.cpp'. A blue arrow points from the bottom of this box to the top of the middle box. The middle box is white with a black border and contains the text 'Type.hpp'. Another blue arrow points from the bottom of the middle box to the top of the bottom box. The bottom box is light gray and contains the text 'string'.

Type.hpp
